

Limited Time Offer

Save 50 CHF on CUSABIO® 96T Promotional ELISA Kits!

Feb 1, 2025 - Apr 30, 2025

Use the code **CUSABIO50** to get your discount !!

Precision

Designed for high specificity and sensitivity in detecting target molecules.

Applicability

Validated in multiple biological samples, including serum, plasma, body fluids, cell culture supernatant, saliva, etc.

Stability

Good stability to ensure stable performance during transportation and use.

Credibility

Backed by over 20,000+ literature citations, our kits have earned the "2024 Bioz Rapid Star" award, making us the fastest-growing citation product in this field.
