Corning® Lambda™ EliteTouch™ Single- and Multi-channel Pipettors

Effortless Pipetting and Reliable Results

- Ergonomic handle design, perfect fit for both the right and left hand
- Convenient one-hand volume setting with auto-lock system prevents accidental volume change during work
- 4-digit counter provides greater precision, visible at all times
- Single-channel pipettors compatible with very narrow tubes
- Fully autoclavable and UV-resistant for sample protection against contaminations
- Unique ejector lever system enables effortless tip ejection
- Easy in-lab calibration helps you quickly adjust your pipettor to various liquid types
- Individually tested and supplied with a certificate of quality
- 3-year warranty

One or more facilities manufacturing this product is 100% covered by renewable energy through the purchase of unbundled energy attribute certificates (EACs). To learn more, go to www.corning.com/EcoChoice.

Cat. No.	Description	Promo Price
CNE6050-1ea	Lambda EliteTouch single-channel pipettor 0.1-2 µL	CHF 152.00

Take Care of the Environment with Axygen® HybridRack™ Pipet Tips

- Allows pipetting directly from the recyclable paperboard base
- Compatible with single- and multi-channel pipettors

The HybridRack packaging format exchanges the plastic base of the pipet tip rack with a high quality, fully recyclable, paperboard base. It utilizes the polypropylene deck from our established and trusted Axygen MultiRack and Corning® DeckWorks™ product lines in conjunction with the new paperboard base to create a stable, sustainable pipetting platform. End users can pipet directly from the HybridRack with a single- or multi-channel pipettor, finish a rack of tips, and simply recycle the HybridRack in their curbside recycling bin.

Racked, Filtered, Axygen Maxymum Recovery® surface

Cat. No.	Description	Quantity
AXYERF-10XT-L-R-S	10 µL HybridRack extended length filtered tip, racked, Maxymum Recovery surface, sterile	960/pk
AXYERF-20-L-R-S	20 µL HybridRack filtered tip, racked, Maxymum Recovery surface, sterile	960/pk
AXYERF-100-L-R-S	100 µL HybridRack filtered tip, racked, Maxymum Recovery surface, sterile	960/pk
AXYERF-200NX-L-R-S	200 µL HybridRack filtered tip, racked, Maxymum Recovery surface, sterile	960/pk
AXYERF-300XT-L-R-S	300 µL HybridRack extended length filtered tip, racked, low binding, Maxymum Recovery surface, sterile	960/pk
AXYERF-1000XT-L-R-S	1000 µL HybridRack extended length filtered tip, racked, Maxymum Recovery surface, sterile	960/pk

Racked, Filtered

AXYERF-10XT-R-S	10 µL HybridRack extended length filtered tip, racked, sterile	960/pk
AXYERF-20-R-S	20 µL HybridRack filtered tip, racked, sterile	960/pk
AXYERF-100-R-S	100 µL HybridRack filtered tip, racked, sterile	960/pk
AXYERF-200NX-R-S	200 µL HybridRack filtered tip, racked, sterile	960/pk
